[www.Flickr.com](http://www.Flickr.com) charges \$49.99 per year to keep the OUTLAW Photo Albums on their website.

**PAID \$49.99 annual Flickr photo site fee on 15 Nov 18.**

**NOTE:** Price increase from \$24.95 p/yr last year to \$49.99. Their reason was because we had over limit of 1000 pictures on there. They claimed we were getting a discount in past years! So, they doubled the price...go figure!

**Retired Pay Restoration Act:**

We were recently informed of legislation that is currently before the Armed Services and VA committees of Congress. If we understand it correctly, HR 303 is written to restore the monetary benefits of retired veterans who are receiving disability. Currently, if a retired veteran is receiving disability, those funds are taken from his/her retirement and then given back to them as tax free VA disability payment. HR 303 is designed to NOT take the disability amount from their retirement but instead the veteran will receive the disability amount separately.

Please look into HR 303 and let all of those on your contact list know of this important change and ask that they and all their family and friends contact their Congressional representatives to request that they support this. If we are incorrect in our understanding of this legislation, please let us know.

Thanks for all you do.
