I will never leave an Airman behind, I will never falter, and I will not fail.*

924 Tradition

An old 924th tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship. These friendships resume at the same time they left off regardless of distance and time between them. We call these friends "**Family**".

Davis-Monthan AFB Tucson - BONE YARD 360 DEGREE PANORAMIC
Its mind boggling how many planes are here. And to think of the cost of them when new? Notice some of them are missing parts, nose, wings etc.
You can zoom, tilt, enlarge and scan the image to see every corner of it.
<https://www.aerialsphere.com/spheres/arizona/tucson/boneyard/1/>

This is a most interesting place. They all flew in, so at one time they were all obviously airworthy. Many are being cannibalized to supply parts to our air force as well as foreign countries. It is said to be the only government agency that actually makes money. Could be. Anyway, it's an unimaginable collection. Also right across the freeway there is another notable air museum called PIMA. It too is a worthwhile stop. Unbelievable! Some countries don't even have an air force this large and this is our junk yard - more or less.

The Miami Dolphin cheerleaders sent the US Troops in Afghanistan a music video and they sent one back...mimicking them almost to perfection. SO cool!!! Plus the Soldiers light off a four point deuce mortar as a point of punctuation. Soldiers win...hands down!!!
