"Keeper of the Flame"

Memories glimmer and hide in the dim shadows

Daring us to '...catch me...if you can!'

As time steadily treads its own meandering path,

It's hard to trace old members of the clan.

Then someone steps up with lantern and blade

Shouting, "Let's gather them in for us all, good neighbor!

We'll bring forth those hidden in the shade, and

Share them with one and another!

"I'll keep that flame high and the blade ever sharp,

That our friends may never be lost in the dark!"

Keeper of the Flame, Song by Miranda Lambert

Obituary: 3 Sept 1937 to 8 July 2020

<http://www.providencejonesfuneralhome.com/obituary/charles-hayes>

From Iris Hayes, wife of Charles Hayes. Please let everyone know that Charles passed away on 8 July.

Services will be Wednesday 15 July at 10:30 with visitation at 9:30 at Providence Jones funeral home in Elgin. Charlie has been in a nursing home for about 2 years with complications of Alzheimer's.

From Alan "Butch" Henkelman:

Charlie was such a gentleman, and one heck of a fine crew chief. I had the honor of flying Charlie to Davis-Monthan AFB in the back seat of his F-4 to put that old bird in the "bone yard". After we shut down the engines for the last time, we sat in the shade underneath his jet and actually shed a few tears. A very memorable day for me, and I hope for Charlie.

RIP Charlie.

Salute and farewell,
Butch Henkelman

Murray Lambert:

Sam Bass talked to Murray Lambert on 13 July. Murray is living in an Assisted Living Home in Mississippi and doing well.

Jim Greybeck:

Update for James Greybeck: After two years of chemo and radiation treatments my last scan was negative for any cancer in my right lung and my right shoulder and arm. I want to thank everyone who prayed for me.

Tommy "Shotgun" Williamson sold his RV Park in Port O'Connor, TX.
He and wife had it for 25 years.

704th Large Decal:

From Lee Wilper:

I purchased one of these decals on Amazon and thought I'd pass the link along to you so you could decide whether or not to disseminate the info to the larger 924th family. I have no association with this product or the company that sells them; just thought it was a great addition to my garage cabinets. Take care and thanks again for all that you do in keeping the flame alive.
