**XEROX IS DOING SOMETHING COOL TO SUPPORT OUR TROOPS IN IRAQ:**

If you go to this web site, [www.LetsSayThanks.com](http://www.LetsSayThanks.com) (<http://www.letsaythanks.com/>) you can pick out a thank you card and Xerox will print it and it will be sent to a soldier that is currently serving in Iraq . You can't pick out who gets it, but it will go to a member of the armed services. How AMAZING it would be if we could get everyone we know to send one!!! It is FREE and it only takes a second. Wouldn't it be wonderful if the soldiers received a bunch of these? Whether you are for or against the war, our soldiers over there need to know we are behind them. This takes just 10 seconds and it's a wonderful way to say thank you. Please take the time and please take the time to pass it on for others to do. We can never say enough thank you's.

Thanks for taking to time to support our military!

**Message from Karl Hoepfner:** 5 Nov

Ed, your readers might be interested to know there is a **Military Writers Association of America**. They can discover more about the MWSA by going to their website. I joined and my four novels are being reviewed by members and editors of the MWSA.

There are over 850 authors, artists and poets who belong to the MWSA and their works are available on the website. I thought your readers who enjoy good novels might be interested in supporting their fellow veterans who are members.

I am speaking about writing, the Wounded Warrior Project, and the MWSA on November 11th at a luncheon in Houston given for the area vets by Andrew Gardener CFO of the Tanglewood Legacy Advisors, LLC.

This is an annual affair, free to any and all veterans who wish to attend. Sorry I didn't find out about it in time to get the word out to you for this year, but keep it in mind for next year.

Carol is still going strong. We depart on Nov 27th for 35 days at sea traveling to four continents on the Royal Princess. I will lecture and sell my novels again.

Hope all is well with everyone from the 924th. Carol and I think of you guys and gals often. Those were good days. Keep the faith. Great job, Ed. Keep up the good work.

Karl and Carol Hoepfner

*Under bridges, low speed, high speed, a Mirage fighter doing wing rolls at 50 feet, even a KC-135 at taxi level with gear UP! How about wheels on water while in formation flight? Some people say they won't get scared - they do, and I wonder how the cameramen could keep the lens steady at those passes.*
