I will never leave an Airman behind, I will never falter, and I will not fail.*

**924 Tradition**

An old 924th tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship. These friendships resume at the same time they left off regardless of distance and time between them. We call these friends "Family".

**UPDATE from Lois: 24 May 2016**

Just to give an update on the reunion. Folks have RSVP'd however it is at a trickle pace.

Those attending so far:

**As of 24 May 2016**

Ellis, Mark

Gardner, Bill & Michele

Greenblum, Richard

Harrison, Henry & Debbie

Johnson, Lois & Gary

Mitchell, Danny & Waylene

Nottingham, Jack & Mary

Oren, Johanna

Titus, Joe & Kara

Voeltz, Jeff & Elaine

Williams, Patty

Williamson, Tom & Vickie

I realize we are still a few months away, but it will be here sooner than you think. If you know you're coming, please RSVP with your \$40 fee per person.

**Having said that, we would like all fees by 1 August 2016.** This allows us time to finalize the payment of location and food and it's difficult to plan when we do not know how much funds we're working with and how many. This doesn't mean you can't pay after the deadline. ;-)

On that subject, it's been brought to my attention, some feel the cost of attending is rather expensive and what are you getting for it. One thing comes to mind and the one most important to me is, you're getting to share a memorable time with your closest comrades, your brothers and sisters in arms, who most of you spent a career and a life time together. A beautiful location that is most fitting, a hot meal and a cold beverage, and hopefully a few more things to make the best memory possible.

We, the committee, tried to keep cost down as much as we could, but the price of doing business in Austin has risen substantially in 10 years. Places to host that had an acceptable setting and space, with adequate parking, was a challenge to find and the overage consensus was to have it in Austin. I might add the \$40 fee is only \$5 more from those 10 years ago. We were trying to keep the same type of venue as the 10 year reunion, as I received so many accolades and expressions of gratitude, it was unbelievable. So therefore, we are only trying to repeat the occasion that everyone seemed to have enjoyed at the previous reunion.

Please let Henry Harrison, Johanna Oren or myself know your concerns. We'll try to work as much out as we can.

### Free Texas Vehicle License Plates & Lifetime Registration

I called Texas DPS yesterday to verify that this is a real opportunity for us retirees and those that are residents of Texas still on active duty. You can either mail the form to the address on the form or take it to the county tax office where you get your registration done.

WHO: All active or former military members who have received these Medals:

Air Force Cross  
 Air Medal  
 Air Medal with Valor  
 Airman's Medal  
 Army Distinguished Service Cross  
 Bronze Star  
 Bronze Star with Valor  
 Coast Guard Medal  
 Defense Meritorious Service Medal  
 Defense Superior Service Medal  
 Distinguished Flying Cross  
 Distinguished Service Medal, Air Force  
 Distinguished Service Medal, Army  
 Distinguished Service Medal, Coast Guard  
 Distinguished Service Medal, Department of Defense  
 Distinguished Service Medal, Department of Homeland Security  
 Distinguished Service Medal, Department of Transportation  
 Distinguished Service Medal, Navy  
 Legion of Merit  
 Meritorious Service Medal  
 Navy and Marine Corps Medal  
 Navy Cross  
 Prisoner of War Medal  
 Silver Star  
 Soldier's Medal  
 Surviving Spouse

**WHAT:** Free Texas vehicle license plates & lifetime registration for members who have received certain decorations. Texas legislators recently passed a bill that expanded acceptable military medals which allow registration fees to be waived.

A military member who has received one of the medals listed on the attached application form will be provided a free set of license plates and vehicle registration fees will be waived as long as the military member registers that vehicle in the state of Texas.

One medal can only be used to waive registration for one vehicle. For instance, a military member with multiple MSMs can only register one vehicle using the MSM medal. However, a person who has earned two different types of medals listed can register two vehicles in this program, and three different medals equal free registration for three vehicles, etc... Keep in mind that these license plates depict a military medal, which does identify them as either a present or former military member.

HOW: Bring the following items with you to the vehicle registration office:

- 1) A completed application form (attached)
- 2) A copy of your DD214 or Record Brief (vMPF) with the award listed (proof of earned metal)
- 3) ID

### From Outlaw Dave Kozak, Interesting Event: May 2016

To the everlasting keeper of the flame - I don't often have much to say, so let me start with Thank You for what you do to keep us together. I love reading the good news and accepting the not -so- good as part of life. Let me share some good. I started Ninja Warrior training about 18 months ago. Despite several physical setbacks, I've managed to keep training at a reduced level, enough so that my audition video captured somebody's attention at American Ninja Warrior. I have just now been invited to participate in ANW Season 8! They frequently seek out competitors who have entertainment value - I guess a 69 year old fighter pilot fills the bill. Filming will be in Philadelphia on **May 26/27**, probably aired in **August**. The short notice is typical of the program, but if anybody in the area gets the info in time and would like to watch, I need names ASAP for the guest list. ### The Military 1945/Now:

## The Military- Then &amp; Now

1945 - NCO's had a typewriter on their desks for doing daily reports.  
 2016 - everyone has an internet access computer, and they wonder why no work is getting done.

1945 - we painted pictures of girls on airplanes to remind us of home.  
 2016 - they put the real thing in the cockpit.

1945 - if you got drunk off duty your buddies would take you back to the barracks to sleep it off.  
 2016 - if you get drunk they slap you in rehab and ruin your career.

1945 - you were taught to aim at your enemy and shoot him.  
 2016- you spray 500 bullets into the brush, don't hit anything, and retreat because you're out of ammo.

1945 - canteens were made of steel, and you could heat coffee or hot chocolate in them.  
 2016 - canteens are made of plastic, you can't heat anything in them, and they always taste like plastic.

1945 - officers were professional soldiers first and they commanded respect.  
 2016- officers are politicians first and beg not to be given a wedgie.

1945 - if you didn't act right, the Sergeant Major put you in the brig until you straightened up.  
 2016 - if you don't act right, they start a paper trail that follows you forever.

1945 - medals were awarded to heroes who saved lives at the risk of their own.  
 2016 - medals are awarded to people who work at headquarters.

1945 - you slept in barracks like a soldier.  
 2016 - you sleep in a dormitory like a college kid.

1945 - you ate in a mess hall, which was free, and you could have all the food you wanted.  
 2016 - you eat in a dining facility, every slice of bread or pad of butter costs, and you better not take too much.

1945 - we defeated powerful countries like Germany and Japan.  
 2016 - we come up short against Iraq and Afghanistan.

1945 - if you wanted to relax, you went to the rec center, played pool, smoked and drank beer.  
 2016 - you go to the community center, and you can play pool.

1945 - if you wanted beer and conversation you went to the NCO or Officers' Club.  
 2016 - the beer will cost you \$2.75, membership is forced, and someone is watching how much you drink.

1945 - the Exchange had bargains for soldiers who didn't make much money.  
 2016 - you can get better and cheaper merchandise at Walmart.

1945 - we could recognize the enemy by their Nazi helmets.  
 2016 - we are wearing the Nazi helmets.

1945 - we called the enemy names like "Krauts" and "Japs" because we didn't like them.  
 2016 - we call the enemy the "opposing force" or "aggressor" because we don't want to offend them.

1945 - victory was declared when the enemy was defeated and all his things were broken.  
 2016 - we haven't a clue as to what victory is or what it takes to achieve it.

1945 - a commander would put his butt on the line to protect his people.  
 2016 - a commander will put his people on the line to protect his butt.

1945 - wars were planned and run by generals who knew how to fight and win  
 2016- wars are planned by politicians who haven't a clue about fighting or winning.

1945 - we were fighting for freedom, and the country was committed to winning  
 2016 - we don't know what we're fighting for, and the government is committed to social programs and political correctness. Our real enemy is global warming.

**Great Music Video:** Military/Miami Dolphin Cheerleaders
